## COMPLETION, DEADLINE, & LATE REGISTRATION POLICY

The registration deadlines for each league that we offer are listed below. The following items must be completed before the deadline:

1. Online Registration Form (must be submitted; a confirmation email will be sent to the email address on file upon submission)
2. Registration Fee (must be paid online through the Online Registration Form; exceptions can be made to this if advance contact is made with the Portage Youth Softball Registrar and an alternative plan is approved).

Partial registrations may be removed from our system after the deadline expires. Those wishing to submit a registration after the registration deadline for their appropriate league must make contact with the Portage Youth Softball Registrar. The Registrar will make a decision. All late registration requests will be considered on a case by case basis. A \$25 late fee will be applied to late registrations to make up for additional fees as well as extra time and effort that are needed because of a late registration.
